

🌟 Guided English Learning with a Tutor

A Personalized Journey to English Proficiency

🕒 What's This Course About?

Looking for a structured, stress-free way to improve your English? This one-on-one guided course gives you full support from an experienced tutor, your coach, mentor, and learning partner.

No need to worry about materials, lesson planning, or tracking progress. Just show up, stay engaged, and be ready to grow. The rest is taken care of!

🎯 How It Works

✅ Step 1: Placement Test

Identify your current English level and learning profile.

✅ Step 2: Personalized Learning Plan

Receive a syllabus and lesson strategy tailored to your:

- Interests
- Time availability
- Language goals
- Learning style

✅ Step 3: Lessons with Your Tutor

Attend regular lessons where your tutor supports and challenges you through targeted instruction, feedback, and encouragement.

✅ Step 4: Assess & Advance

At the end of each module, complete a variety of performance-based assessments (writing tasks, interviews, presentations, etc.) to track your real progress.

💡 Bonus: Learn to Learn with Technology

Discover how to use AI and digital tools to support your English journey, so even after the course ends, you'll continue learning with confidence and independence.

👉 Your Role vs. Your Tutor's Role

You (the Learner)	Your Tutor
Attend, study, and practice	Design and deliver your personalized lessons
Share your needs and goals	Track your progress and adjust lessons accordingly
Complete homework and tasks	Support, motivate, and challenge you
Stay open and committed	Facilitate your growth, not just your grammar
